

## Driving Directions to Boulder Acupuncture and Herbs

We are located in the **Crossroads Garden Building** at 1800 30th Street, Suite 206, Boulder 80301. Our building is set back from 30th street and **blocked from view by the Sussex One building**.

If you are heading south on 30th you will cross Walnut Street then make your first left through the median before you reach Canyon Blvd. This drive will take you past the North side of the Jiffy Lube, past the Sussex One building then will make a right turn in front of the Crossroads Garden Building. You will see a parking garage (to the left) under the building where you may park for free. If your vehicle is too tall for the garage there are a few spaces to the right of the garage entrance you may park in. The entrance to the office suites is in the middle of the garage. Come up one flight of stairs or take the elevator and we will be on the right just past the elevator.

If you are heading north on 30th Street, you will turn right **immediately** after the Jiffy Lube. Follow the drive past the Sussex One building, where it will then turn right. You will see a parking garage (to the left) under the building where you may park for free. If your vehicle is too tall for the garage there are a few spaces to the right of the garage entrance you may park in. The entrance to the office suites is in the middle of the garage. Come up one flight of stairs or take the elevator and we will be on the right just past the elevator.
